**Subject:** follow-up on the how to implement changes to an approved NPS plan

So Jayne,

I attempted to call Don for his thoughts on this question but I could not reach him. So I tried to call Cyd but I accidentally dialed Lynda Hall's number. Low and behold she answered. I took the opportunity to asked her about this. Her response was identical to yours....minor update, plans are intended to be revised, no guidance regarding this issue exists. As such, I sent Gene a response and included you in the e-mail chain. Thanks for your thoughts.

Alan
